

CAL POLY POMONA STUDENT CHAPTER

November 2016 Newsletter

Check out this month's newsletter to read about past CPP ASCE events and meetings and find out when our next general meetings and upcoming events occur.

CPP ASCE had their **annual Kick-Off Barbeque** in the Rose Garden after the first general meeting on October 6th. Unlike the Kick-Off Barbeques in previous years, this year ASCE incorporated a small civil engineering club fair for members to learn more about clubs they can get involved in while enjoying free, delicious hot dogs and hamburgers. This event was a great way for clubs to promote themselves and for members to socialize with each other at the start of the school year.

At the second general meeting on October 20th, CPP ASCE was honored to have **Phillip Davies**, the past ASCE LA YMF president, and **Richard Carney** as their guest speakers. They spoke about Measure M, a huge ballot measure that will be voted upon this upcoming election day. It would provide \$120 billion of transportation infrastructure investment into LA County and have an enormous effect on the job market for civil engineers.

After the second general meeting, CPP ASCE members had a fun **bowling night** at Oak Tree Lanes in Diamond Bar. Over 30 members were in attendance and socialized with their fellow civil engineers while bowling. This off-campus event provided a welcoming atmosphere to new and returning members who look forward to more social events such as bowling night.

On October 28th, members had the opportunity to be part of a **live television audience** for Netflix's new comedy, *The Ranch*, starring Ashton Kutcher, at Warner Bros. Studios in Burbank. They got to see what happens during filming while raising money for the student chapter. Timothy Lee even won a script title page signed by the cast members of the show.

GENERAL MEETINGS

November 17, 2016
U-Hour | 15-1807 (Library)

December 1, 2016
U-Hour | Ursa Major AB

UPCOMING DATES

CIVIL DAY
November 18, 2016
9:15 AM - 1:30 PM
